SWIFT GPI, Global Payments Innovation Members

Aquí le ofrecemos una lista actualizada de las instituciones financieras que utilizan SWIFT GPI (Global Payments Innovation). Tenga en cuenta que la lista crece día a día.

SWIFT GPI (Global Payments Innovation) es un servicio introducido por la Sociedad para las Telecomunicaciones Financieras Interbancarias Mundiales (SWIFT) destinado a mejorar y acelerar los pagos transfronterizos.

Proporciona seguimiento de extremo a extremo, transparencia sobre las comisiones bancarias e información sobre cuándo recibe un pago el beneficiario. SWIFT gpi mejora significativamente la eficiencia y la velocidad de las transacciones internacionales, permitiendo a los bancos y a sus clientes hacer un seguimiento de sus pagos en tiempo real, garantizando un proceso de pago transfronterizo más transparente y predecible.
